## The Sooner Tuner Chapter Meeting for June 2003

Oklahoma Christian University

Edmond, Oklahoma

Thursday, June 19: 8:30 AM

This month, we have a special opportunity to assist the family of Amos Hedrick. At the request of the Hedrick family the technical tools Amos used in his business will be offered for sale to members of our PTG chapter. Gary Bruce will have the tools displayed at this month's Chapter meeting and all proceeds will go directly to the Hedrick family. This is a generous offer from the family so let's show our thank you and support. I hope to see all of you there Thursday.

After viewing the many pictures sent via e-mail by Gary Bruce it is apparent that the June meeting will be a special one. Thanks Gary for the work you have done.

The Bible says that the universe was created by a Creator. He created man and woman in His image, to verbalize, to be creative, to have ideas and to choose, to act into space and time, to have significance in history—and He spoke to them. He gave them a reference point immediately, so that they would have the possibility of measuring what they did as "right" or "wrong" against that reference point, "that tuning fork—the Bible!"
